REIMAGINING A CONNECTED FUTURE

District Office of Communications Promotes Mission on Multiple Platforms

In the summer of 2022, delegates from every Lasallian District in the eighty countries where the Brothers serve, gathered in Rome for the 46th General Chapter to discuss the direction of the worldwide Institute of Brothers of the Christian Schools. One theme that emerged from the Chapter was to engage the entire Lasallian World in the concept that we are “One La Salle”, keeping our focus on the Founder’s vision and the Gospel message.

To follow through on this idea, Br. Robert Schaefer, FSC Provincial/Visitor and his leadership team set the Office of Communications on a bold new path, to share the message of “One La Salle” within the District of Eastern North America (DENA) and beyond, in order to enable more Lasallians to engage meaningfully in the Lasallian mission of education. At the core of this philosophy is an understanding of the interconnected nature of our globalized world. The Communications team must recognize the dynamic needs of our Lasallian family in this contemporary world, and craft strategies that not only adapt to but also shape DENA’s educational landscape.

In 2023, Brother Robert named Mr. Keane Palatino as District Director of Communications to lead this high priority

effort. Keane joined DENA after seven years as International Coordinator of Young Lasallians. During that time, he helped to establish an online global community of international technology-focused young Lasallians who joined Keane in supporting the global Lasallian mission. The group, known as LS Media, offers their professional knowledge in digital production and social media for this purpose. With the support of LS Media, the Communications office led by Keane strategically employs resourceful production techniques while leveraging technology and creative methodologies. The office works actively to strengthen community involvement by sharing stories that resonate with diverse audiences. They also provide support for all the programs, meetings, and events that are developed and run by the Brothers’ District office.

Young Lasallians created LS Media to help promote the Lasallian mission.

Recognizing that effective communication is the backbone of successful initiatives, the department aligns its strategies with the specific needs of each endeavor. This ensures a cohesive and well-coordinated approach, intended to enhance the overall participant experience and to also contribute to the successful impact and longevity of these programs. By becoming strategic partners in project implementation, the Communications Office’s objective is to improve the vitality of the Lasallian educational mission through improved engagement and program impact.

Communications efforts are custom designed for the needs of each specific initiative or event. The latest techniques are used for electronic announcements and invitations, audio and/or video recording, online streaming, website placement, social media updates, and more. The Communications team is also dedicated to providing

A MESSAGE FROM THE VISITOR

Dear Friends,

Hope springs eternal! That familiar phrase could really sum up the season of Lent. Lent is the time the Church offers us to wake up to the joy of the promises of the Resurrection. Death never has the last word. The Lasallian Mission of offering a quality human and Christian education to the young, especially the poor, is a concrete act of hope. Dedication and fidelity to creating schools and child-care services that help young people reach their God-given potential is putting hope into action.

Pope Francis has observed, “Catholic education is also evangelization: bearing witness to the joy of the Gospel and its power to renew our communities and provide hope and strength in facing wisely the challenges of the present time.” Each day throughout the world, Brothers and Lasallian educators take up this call to witness to the joy of the Gospel. Our constant message is that each life has a purpose and is a gift from God. Lasallian education helps each student to discover her or his purpose by creating a school environment that prioritizes self-discipline, gratuitous service to those in need, and the pursuit of excellence and one’s personal best.

As you look through this issue, you will see the names of a number of Brothers who have recently died. Each of them, in their own unique way, continued the tradition of John Baptist de La Salle and the first Brothers by looking for ways each day to bring the best out of those entrusted to their care. The stories of how these Brothers influenced the lives of their former students have been inspiring to hear. You can also read the spotlight on Brother Kyle, an extraordinary young Brother who is already a master in the classroom. His lessons engage his students to question and learn about the mysteries of the universe.

Thanks to your ongoing support, the Lasallian Mission continues to stir up hope for the future and hope, we know, never disappoints!

Live Jesus in our hearts! Forever!

Respectfully,

Brother Robert Schaefer, FSC

FACE OF THE FUND: KEVIN REYES

by Ms. Maureen Delgado – La Salle Educational Center, Homestead FL

Now a 14-year-old freshman at South Dade Senior High, Kevin Reyes has attended after-school and summer programs at La Salle Educational Center (Centro La Salle) in the Homestead FL agricultural district for several years. His story embodies determination, resilience, and a deep commitment to community service. Born to parents who migrated from Mexico to seek better opportunities, Kevin has grown up in an environment shaped by hard work and perseverance. His parents work as agricultural farm workers, toiling tirelessly to provide for their family. Despite the challenges he faces, Kevin is enrolled in advanced classes, illustrating his intellectual curiosity and desire to challenge himself. One of his favorite subjects is mathematics, and he already envisions a degree in mechanical engineering at Florida International University. With selflessness and compassion, Kevin is also deeply involved in community service. After school, he volunteers his time to help at Centro La Salle, where he takes on the role of soccer coach for the younger children, sharing his passion for the sport. Kevin, who also plays on soccer teams, sees soccer as a source of joy, camaraderie, and personal growth. He wishes to instill a similar passion for the sport in younger children through coaching and mentorship.

Kevin’s aspirations are deeply rooted in his desire to create a better future for himself and his family. His pursuit of academic excellence is fueled by his ambition to overcome adversity and carve out a path to success. His enthusiasm for soccer serves as a testament to his resilience, discipline, and unwavering pursuit of excellence both on and off the field. La Salle Educational Center, with the assistance of the St. John Baptist de La Salle Fund, is proud to foster the extraordinary potential that lies within students like Kevin, waiting to be unleashed through dedication, passion, and a sense of purpose.

SCHOOL SPOTLIGHT

CENTRAL CATHOLIC HIGH SCHOOL – PITTSBURGH PA

by Mr. Brian Cook – Central Catholic Director of Communications & Marketing

Since the founding of Central Catholic High School in 1927, the Christian Brothers have been bringing a human and Christian education to the young men at this Diocese of Pittsburgh school. As the school approaches one hundred years of academic excellence, a new leader looks to the new century. Following a decision to restructure school administration, Mr. Matthew J. Stoessel was appointed to the new position of President in late 2023.

The President's primary purpose is to provide institutional leadership, overseeing the school's fiscal management, operations, advancement, recruitment, and enrollment management. Matt Stoessel knows both the school and the Lasallian mission. He is a 1995 graduate, and was their Executive Director of Advancement since 2017.

Mr. Stoessel states, "I am so proud to play a part in continuing and growing the success of my *alma mater*. The faculty, Board members, alumni, and Brothers—the entire Lasallian family—are committed to our tradition of academic excellence, and our promise to inspire boys to become men of faith, scholarship and service."

It is true that there are many exceptional programs and opportunities available at the school. Central Catholic is proud to offer enriching "Signature" academic programs that provide additional resources and challenges for our students. These

programs include:

- The Engineering Institute at Central Catholic (EICC) that offers a combination of coursework, resources, and outside of the classroom experiences, to create a curriculum of hands-on, teamwork-oriented coursework.

- The Bishop McDowell Program helps students who may benefit from scheduled time for additional coursework assistance and skill-building, helping them progress in the rigorous college prep curriculum.

- The Brother David S. Baginski, FSC Scholars Program provides an intellectual forum to highly motivated students, through seminars, mentoring, programmatic trips, symposia, and a Senior Thesis project.

The school is also proud to partner with Carnegie Mellon University and the University of Pittsburgh, as well as area businesses, to offer various classes field trips that include hands-on learning experiences in areas that are of career interest to their students.

Also unique to Central Catholic are its

summer educational workshops and athletic camps. For younger students, these include Public Speaking Summer Camp for 6th through 9th grade students, and the BAM! (Because Academics Matter) program, which is designed to introduce college preparatory experience while creating excitement for deeper learning at a higher level. The "Let's Experiment!" Summer Chemistry Workshops advance students who have completed at least one year of high school chemistry. In addition, the school offers basketball, crew, football, and soccer camps that bring together hundreds of Pittsburgh youth on the campus.

Recognized by the US Department of Education as one of the nation's "outstanding secondary schools," Central Catholic is poised to make the second hundred years even better than the first, and will continue changing the lives of the thousands of young men who walk out their doors to make the world a better place.

PRAYERS FOR THE DECEASED

Prayer is core in each Brother's daily life. In their prayers and Masses, our Brothers remember all of the members of our Lasallian family and all those enrolled in the Saint La Salle Auxiliary.

In addition, November is a special month of prayer for the deceased. Beginning with the feast of All Souls Day, Brothers pray for the deceased whose names Lasallians from across the District have submitted to the Brothers for intercession. While every Brother of our District says the special prayer each day in remembrance of these loved ones lost, the physical lists are given to several Brother's Communities where they are placed in front of the altars for prayers. May our gracious Lord continue to watch over these souls and bring them home to his loving embrace.

Brothers at De La Salle Hall in Lincroft NJ pray for intentions of the deceased.

BROTHER SPOTLIGHT

Kyle Mena, FSC

Each encounter with students calls me into deeper conversion.

For years, a story about St. Oscar Romero's conversion has been told. Once, while visiting a desolate rural village in the poorest outlands of El Salvador, Romero, the newly appointed Archbishop of San Salvador, was presented with a half-eaten tomato by a farm worker. Romero was repulsed at the sight. He turned to the priest who was with him and asked why anyone would offer him a half-eaten tomato. "This is all they have to offer you. It is their last possession, their sign of love, their gift to you."

In the classroom, I see the parallels between Romero's half-eaten tomato story and the life-long journey of conversion. Like Romero's encounter with the poor, each class session with students may not seem particularly dazzling, productive or enlightening. However, like my fellow Brothers and Lasallian educators, I sympathize with the hardships of the youth we serve. Thus, each encounter with students offers an opportunity to listen to their "half-eaten tomato" stories of hardship, success, and transformation.

In my opportunities to minister in New York City, Philadelphia, and Pittsburgh, I recognize the consistent call to preach the good news. St. John Baptist de La Salle stated, "Young people need the light of watchful guides to lead them on the path of salvation. In the light of faith, you see things quite differently." Slowly, Romero began to understand the plight of the poor, their selfless love and faith, and the Gospel mandate to preach justice. Discernment includes embracing opportunities to reflect on my life experiences and allowing myself to be led in the journey to conversion forever.

Please continue to pray for me and all of the Brothers.

Live Jesus in our hearts, forever!

technical communications support for the efficiency of District administrative team meetings such as Mission Assembly, District Council, and Mission Executive Council. The goal is to expand the awareness of, and accessibility to, Lasallian spirituality programs, training, retreats and group workshops.

The plan to broaden the District's communication reach also propels initiatives like "DENA Connect" electronic mailers, and other online platforms. These serve as the bridge that connects individuals and communities beyond geographical boundaries, fostering inclusivity, collaboration, and the free exchange of ideas. By strengthening the Lasallian network, diverse perspectives can converge and collaboration can happen. Ultimately, this will increase our effectiveness as a District in reaching and teaching our entire Lasallian family in the educational and spiritual vision of our Founder, St. John Baptist de La Salle.

Realizing that for some in our Lasallian family, our digital presence is the face of the Brothers, this office aims to enhance the online user experience and increase functionality. This priority goes beyond routine posting; it involves employing innovative social media strategies to provide information and engage with the community, promoting online conversations and interactions.

The reimagined communication philosophy is not just a conceptual shift; it signifies a strategic evolution. By aligning priorities with the changing dynamics of the digital age, the Communications office is laying the foundation for a more connected, engaged, and empowered Lasallian community.

Through all of these improvements and expansions, our goal is to let the Lasallian mission shine through, embracing the challenges of tomorrow.

Inspired by women educators...

“As a young educator, I feel inspired by the women in the Mathematics department. We are led by an incredibly driven and intelligent woman. She has worked hard to implement change and place the right mentorship in my life. In this light, I look towards her, and all the other women in my department, as truly Lasallian. They push me to be confident and strong in my vocation.”

COMMON QUESTIONS ABOUT SPECIAL GIFTS

by Mr. Patrick J. Donahue – District Director of Advancement

Why do I keep hearing about Gift Annuities from an IRA?

For about a year now, you have probably been hearing that seniors can create a gift annuity with one or more charities (up to a total of \$53,000 in 2024) from their traditional IRA account. *Note: The new law also allows charitable remainder trusts.* This distribution for life-income gifts can be in addition to the current \$105,000 annual rollover cap, but these gifts (up to the \$53,000 cap) must only be made during one calendar year.

How do I complete an IRA rollover to Gift Annuity?

It's fairly simple. First you contact us (or whatever charity you want to support). Then you contact your IRA plan administrator to make a one-time qualified charitable distribution (QCD) of up to \$53,000. We will have a simple annuity contract created, and our annuity provider—The National Gift Annuity Foundation—will send you payments every year for the rest of your life. The remainder will be a gift to the Christian Brothers and our educational mission.

Are the “life payments” to me worthwhile?

You must first remember that this is a gift, and the remainder amount goes to charity. That being said, the rates may seem quite

generous. The suggested maximum gift annuity rates from the American Council on Gift Annuities are followed by 97% of charitable organizations nationwide. These are subject to change, but are locked in once you make your gift. As I write this, a one life annuity for a **75-year-old would pay 6.6% annually**. For a two-life annuity, spouses being **75 & 70, payment would be 5.5%**.

Is my IRA the best way to fund a Gift Annuity?

If you would like to discuss this, please give me a call. But remember, you should always consult with your own advisor before making a final decision. Some considerations are: Do you itemize your taxes? Is the amount of your planned annuity less than your Required Minimum Distribution? Do you own appreciated stock? I would be happy to speak with you about this or whatever you have questions about, with no pressure.

1928 – 2023

Born Nikolas Zimroz in Hendon Saskatchewan Canada on December 18, 1928, Br. Nicholas entered the Aurora Ontario Novitiate in July 1948, receiving the Habit and name Josaphat one month later. Br. Nicholas pronounced Perpetual Vows in Wexford Ontario in 1954.

Br. Nicholas served at schools across Canada, in the provinces of Saskatchewan, Quebec, and Ontario. His ministry also included service at Lasallian schools in the West Indies, and in Ukraine. He spent two assignments, totaling twenty-five years, in various roles at Saint Joseph College in Saskatchewan. In the mid 1980's Br. Nicholas moved to Toronto where he served as a teacher at De La Salle College “Oaklands”, a Community director, and a retreat counselor.

Br. Nicholas had a kind and generous disposition. According to Br. Domenic Viggiani, FSC, President of De La Salle College “Oaklands”, “He really seemed to get a great joy from helping others. He was a faithful religious Brother for some seventy-five years.”

Vol. 22

Dear Friends,

Each year, the winter issue of *Lasallian Notes* makes me pause to reflect, and say a little prayer of thanksgiving. This is not because I see the photos of our elder Brothers at Christmas, not because I am reminded about our amazing teachers by the “Distinguished Lasallian Educator” profiles, or because of any of the other inspirational stories on these pages—even though any of these are a reason for joy.

I am in awe of the care and commitment of our Lasallian family as I look through the Stewardship list inside this newsletter: Six pages, thousands of names (in fairly small print), of friends who have cared for the Brothers and their educational mission. And that list only covers the past three months. Some names I know well, others are familiar, and many I do not yet know personally.

I can tell you also, from my conversations with our Brothers, how much seeing that list means to them—knowing that so many others stand behind their life’s work, the ministry that God has given them.

I also appreciate your messages. And when they are to a Brother, I enjoy passing them along. It always seems to bring a smile. Even for an elder Brother at De La Salle Hall with memory issues, I can tell his day has been brightened. When we receive a message for a Brother, I always try to make sure it is passed along to him.

Please know that your support is never taken for granted, it helps accomplish great things, and it is truly, truly appreciated! God bless you.

Live Jesus in our hearts. Forever!

Sincerely,

Patrick J. Donahue
Director of Advancement
